

Livonia Montessori School 2016 Summer Program

 <p>Week 1 – June 20-24</p> <p><i>Raised in a Barn.</i></p> <p>Quack, moo, oink, baa...it's farm week at summer camp. Farm animals, planting, and harvesting will inspire our activities. Wendy Kwiatkowski will keep us busy down on the farm with creative movement activities.</p>	 <p>Week 2 – June 27- July 1</p> <p><i>Uncle Sam's Picnic</i></p> <p>Every day is a picnic when you celebrate the red, white, and blue with patriotic food creations. Vijayanthi Perera may discover America's next top chef when she and the children practice their culinary skills.</p>
 <p>Week 3 – July 5-8</p> <p><i>The Science Fair</i></p> <p>Put on your lab coats and goggles, things might get a little messy when we start experimenting. <i>Mad Mixtures</i> is the program that will be presented by Mad Science.</p>	 <p>Week 4 – July 11-15</p> <p><i>Head, Shoulders, Knees & Toes</i></p> <p>Let's move it, move it...a week of activities to get your body moving and have just plain silly fun. We will also move with Wendy Kwiatkowski with dancing and yoga activities.</p>
 <p>Week 5 – July 18-22</p> <p><i>Trash Treasures</i></p> <p>Multimedia creations created by our kinder-Kandinskys. String, foam, lids, and paper towel tubes can become masterpieces. The children will practice various circus skills, such as balancing, with Cirque Amongus.</p>	 <p>Week 6 – July 25-29</p> <p><i>Our Fine Feathered Friends</i></p> <p>The place is going to the birds this week. Our camp will become an aviary with songs, stories, crafts, and movement. We will have a presentation of <i>Fluttering Birds</i> by Mad Science.</p>
 <p>Week 7 – August 1-5</p> <p><i>Let the Games Begin!</i></p> <p>We are getting ready for the summer games. Our games will include obstacle courses, races, and cheering for our friends. High Velocity Sports will lead us in some high-energy creative games.</p>	 <p>Week 8 – August 8-12</p> <p><i>Oh The Pets You Can Get</i></p> <p>How would you take care of a guinea pig? We'll learn about taking care of pets, and we will even create our own pets. Timeless Tales Theatre will engage us with their presentation of <i>The Bremen Town Musicians</i>.</p>
 <p>Week 9 – August 15-19</p> <p><i>Building Blocks</i></p> <p>From pyramids to gargoyles we will be learning about buildings and architecture. We will construct using blocks, cardboard, and LEGOS. Mad Science will challenge the children to create with their <i>Shapes and Sculptures</i> program.</p>	 <p><i>Montessori Matters</i></p> <p><i>Week of August 15-19</i></p> <p>An introductory class for first time Montessori students.</p>
