

Livonia Montessori School 2017 Summer Program

 <p>Week 1 – June 19-23</p> <p><i>Under the Sea</i></p> <p>An underwater adventure. We will learn about whales, dolphins, sharks and many other underwater creatures. Wendy Kwiatkowski will have us swimming with creative movement activities.</p>	 <p>Week 2 – June 26- 30</p> <p><i>Clap Your Hands, Tap Your Feet</i></p> <p>Get ready for some foot stomping fun as we enjoy music through singing, dancing and playing instruments. Beverly Meyer, The Music Lady, will get the fun started.</p>
 <p>Week 3 – July 5-7</p> <p><i>Buckle Up for Safety</i></p> <p>Put on your helmet and goggles and get ready to stop, drop, and roll as we learn about safety. We will also enjoy decorating our floats for a red, white, and blue parade.</p>	 <p>Week 4 – July 10-14</p> <p><i>Making Sense of Our Senses</i></p> <p>Did you see that? What is that smell? Here, taste this. We'll be using our senses to learn about our senses. Mad Science will give us plenty to look at with their <i>Eye to Eye</i> presentation.</p>
 <p>Week 5 – July 17-21</p> <p><i>Going Out on a Limb</i></p> <p>From the swaying branches up high to the strong roots down below, we are talking about trees. High Velocity Sports will lead us in soccer skills activities.</p>	 <p>Week 6 – July 24-28</p> <p><i>Red Rover, Red Rover</i></p> <p>We love dogs! We'll talk about dogs as pets, working dogs, and dogs in the wild. Timeless Tales Theatre will engage us with their presentation of <i>County Mouse and City Mouse</i>.</p>
 <p>Week 7 – July 31 - August 4</p> <p><i>Art With a Purpose</i></p> <p>Put on a smock and roll up your sleeves...the creations we make this week will be beautiful and useful. We'll practice various circus skills, such as balancing, with Cirque Amongus.</p>	 <p>Week 8 – August 7-11</p> <p><i>An Apple a Day</i></p> <p>We will learn about growing food, preparing food, and how the food we eat helps to nourish our bodies. We will move with Wendy Kwiatkowski with dancing and yoga activities.</p>
 <p>Week 9 – August 14-18</p> <p><i>My Big Backyard</i></p> <p>What is hiding under that rock? We are setting out to discover insects, worms, birds, footprints, rocks, flowers...maybe even a toad. Mad Science will join us with their presentation <i>Wiggly World of Worms</i>.</p>	 <p><i>Montessori Matters</i></p> <p><i>Week of August 14-18</i></p> <p>An introductory class for first time Montessori students.</p>
